HealthyCT Participating Provider Update
April 2016

New Lab Prior Authorization Orientation Sessions

We've selected eviCore healthcare to provide a utilization management program for Genetic and Genomic lab services beginning May 1, 2016.

eviCore healthcare will be leading orientation sessions to help you and your staff with the new <u>lab management program</u>. Please plan to attend one of these informative sessions to learn about the new prior authorization process for lab services.

The sessions will discuss the prior authorization requirements and process for HealthyCT members. They'll also review the web portal at **www.carecorenational.com** so you can learn how to locate additional training materials and information.

Web Orientation Sessions
Please register in advance to attend a session. They're free of charge and will last approximately one hour, allowing time for questions. We hope the following sessions will fit your schedule. All sessions times are hosted in Eastern Time, but WebEx may display Central times.
